THE ANNUAL STAFF
OF
1974

THOSE WERE THE DAYS

In the 1974 production of "The Bronc" we have tried to give a pictorial account of the school life at Fairfax High, what we are and what we do. We have tried to show the accomplishments achieved in the days of the 1973-74 session.

We hope that in the future you will be able to look back at the pages of this annual and say, "Those Were The Days."

DEDICATION

We the seniors of 1974 dedicate this annual to our custodian, Henry Klundt. We want him to know that we appreciated his help through all the years of our education. He has never been reluctant to give us his time and attention toward the various activities throughout our school years.

Although we may not have shown our gratitude during our school years, we want you to know, Henry, that everything has been greatly appreciated.
